**Subject:** RE: CW v. [REDACTED] (re-testing request)

Jessica,

On July 1, 2012, the Drug Laboratory was transferred to the Massachusetts State Police. I remain as the Director of Analytical Chemistry at the Department of Public Health and as such I no longer manage the Drug Laboratory operations. Future requests for retesting should be directed to Elisabeth O'Brien, the Evidence Office Supervisor and Dr. Guy Vallaro, the MSP Laboratory Director both of whom I have copied on this reply so that they are aware of your request.

Betsy will follow-up with you shortly, if she hasn't already.

Thanks, Julie Nassif
